

[China Engineering Steel Castings, Manufacturer, Supplier, Factory, Exporter in china](#)

Our product group covers the parts for a variety of industries field, not only in motor vehicles (automobile), marine, railway, valve, pipeline fittings, construction lines, but also extend to power transmission, pumps, compressors, hydraulic and near all machinery & engineering applications.

Our stringent quality measures ensure that our products are free from defects and adhere to international standards,

Parts can be fully customized to fit the exact specifications as requested by customers, which according to requested material, chemical composition, hardness, tensile strength, yielding strength, impact, elongation, reduction, etc. on the drawings.

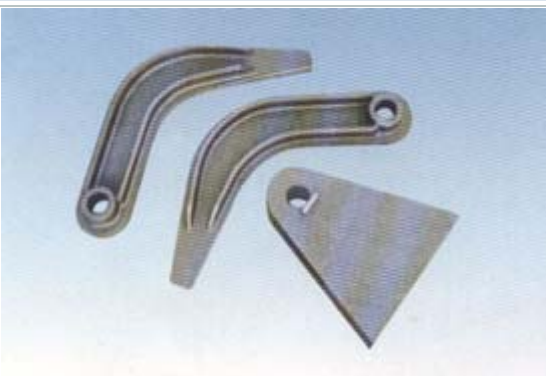

Welcome OEM manufacture!

Please contact us online or call 86-574-88345668 and E-Mail:william@allsteelcastings.com to let us know how we can serve your carbon steel casting needs.

We professional production : Investment Casting, Lost Wax Investment Casting , Metal Casting , Stainless Steel Investment Casting , casting parts, casting china steel , casting manufacturer steel , Duplex Steel Castings , Fully Machined Steel Castings , High Alloy Steel Castings , Low Alloy Steel Castings , industry steel casting, large steel casting, small steel casting, Excavator teeth, Construction parts.
