

[China Valve Investment Castings, Manufacturer, Supplier, Factory, Exporter in china](#)

We manufacture a wide range of high precision parts for valve applications and pipeline fittings field.

Valve parts, it covers the castings of valve body, valve bonnet, valve disc, butterfly disc, wedge etc in both stainless steel and carbon steel material, and with all possible machining service. Our high quality machined, polished, plated valve balls is prominent in our valve business field, it can be Made by the process of investment casting, sand casting, bar stock, or forging in different requested material which is available in kinds of Stainless Steel, Carbon Steel and gray iron.

Pipeline fittings, it covers the castings of nonstandard pipe, elbow, tee, clamps, connects / joints, flange with strict machining operations, all possible material is available to work. also, we supply the above parts by forged as customer requested.

Welcome OEM manufacture!

Investment castings, Valve castings, valve casting, valve body, valve bonnet, pipe fittings, pipeline fittings, pipe castings, pipe parts, elbow, tee, clamps, connectors, flange ect.

Please contact us online or call 86-574-88345668 and E-Mail: william@allsteelcastings.com to let us know how we can serve your carbon steel casting needs.
